A LOOK AT THE PAST

The doorway now is empty. Laughter, foot-falls, the rustle of papers for some is past.

Yet, the challenge is within for all.

Some have drunk deeply at the fountain of knowledge.

A few have attained their goal.

Football, basketball, band, and music have helped to fill the void for others.

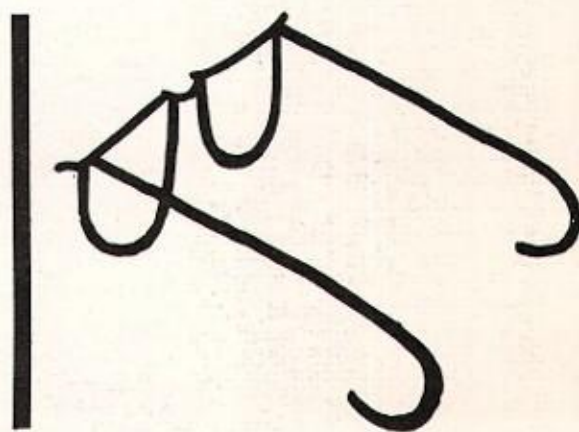

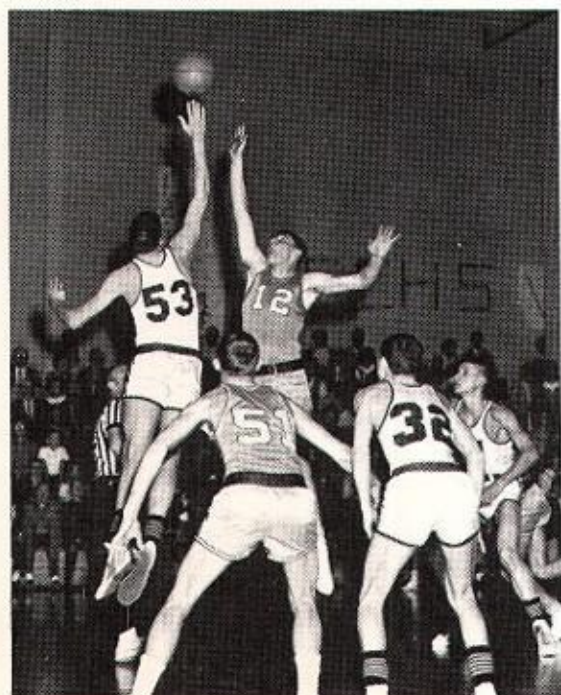

What will you seek within?

WHERE WE CAN LOOK?

YEARBOOK
KING
AND
QUEEN
REIGN OVER
'65 WARRIOR

ROYALTY CHOSEN

BY GOVERNOR

The Governor of Kansas again honored WCCHS and the WARRIOR this year by choosing our annual yearbook king and queen. His choices this year were Cheryl Doyle and Dan Gardner.

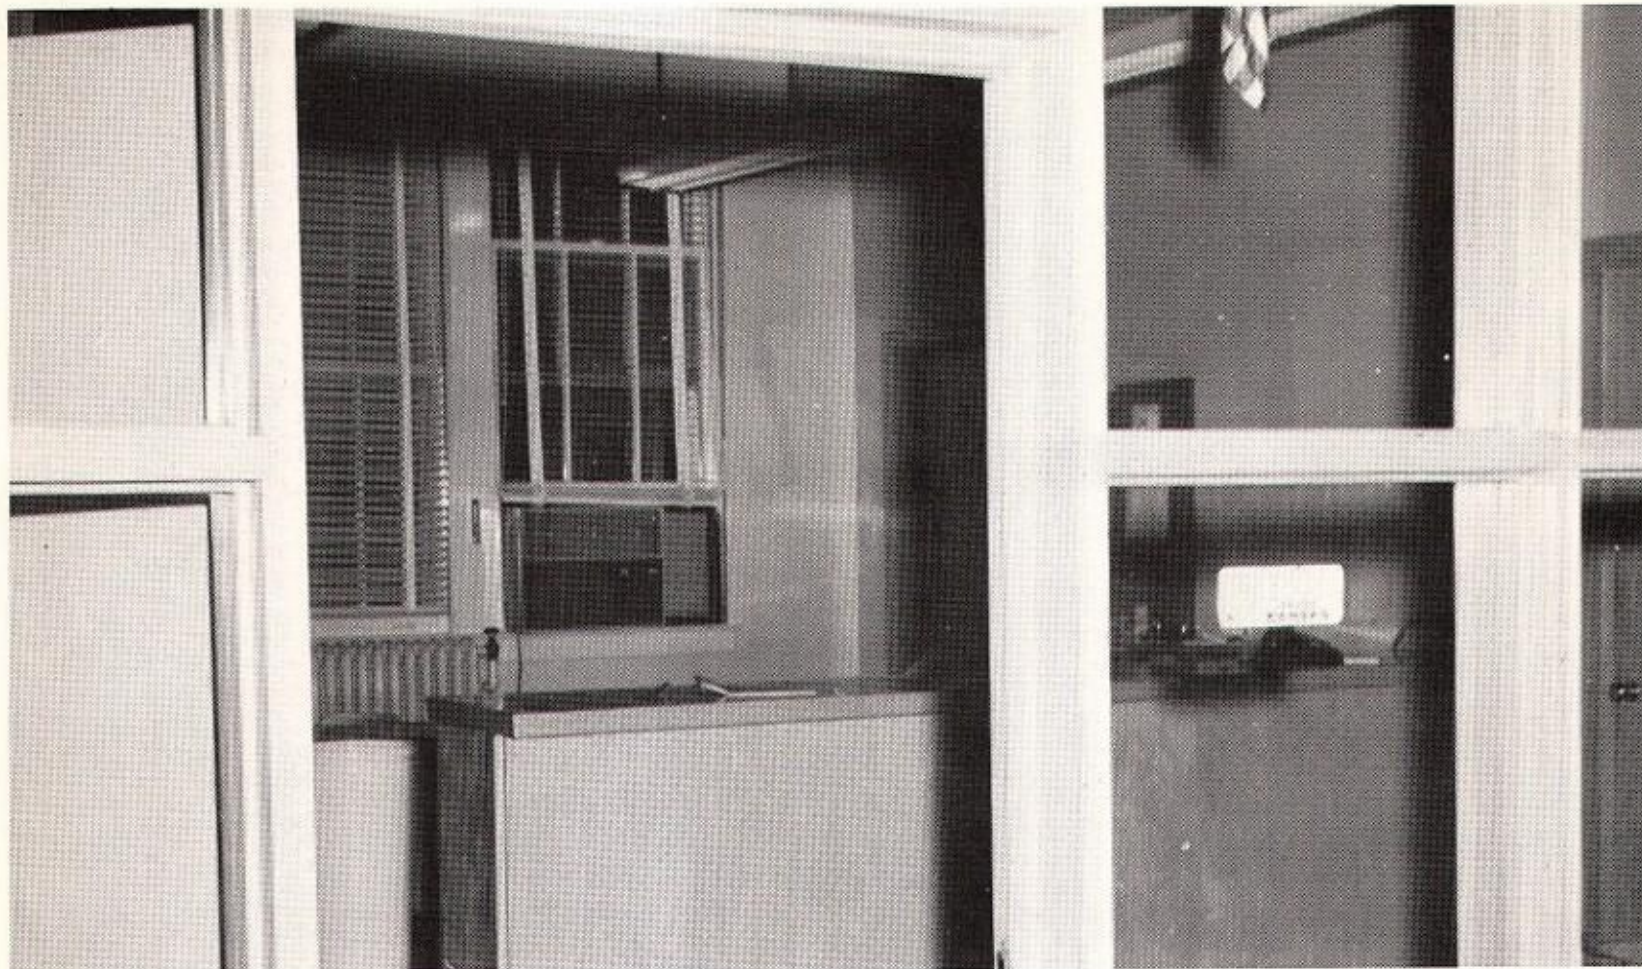

The Governor selects the king and queen by photograph and judges only on personal appearance.

The honor of yearbook king and queen is bestowed only on seniors, and those who have been basketball, football, or other royalty are ineligible.

There is no personal award or benefit derived from this honor, save the privilege of reigning over the WARRIOR for a year.

Queen Cheryl will further her education at Fort Hays State next year in hopes of becoming a future nurse, while King Dan tentatively plans either to attend the Kansas Vo-Tech School at Goodland or join the Navy.

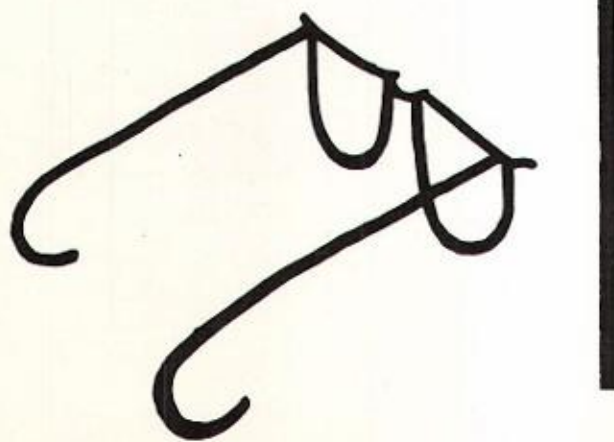

LOOKING AT KNOWLEDGE

Although every high school revolves around its student body, it is the administration and faculty who see that every student's needs are fulfilled in accordance with what he or she puts forth.

Without our efficient office force or board of education our high school days would become complete chaos. On the other hand without an understanding and inspiring faculty to listen to his many gripes and grievances, the student would be entirely lost and alone.

Without anyone of these administrators, whether it be secretary, principal, a member of the board, or teacher, the mechanics of running the high school would be seriously impaired.

Students from all walks of life and of varied races, colors, and creeds come to Wichita County Community High School in the fall to study for a higher education. While here, they make many friends and share many interesting experiences, as they labor toward one common goal.

For underclassmen, there is always another year to make an extra "A" or acquire that needed credit. There is always another September-another year-to have fun with old high school pals. For seniors, there is a happy past to leave behind and an unknown future ahead.

In all students who walk through the doors of this high school, there is the spirit of loyalty, courage, and integrity that led them here, and which they hope, through guidance of the teacher to have enlarged when they depart.

SENIORS WELCOME FRESHMEN TO WCCHS

Each senior gets a freshman to lead down main street.

On a special day in the fall of the year the seniors officially welcome the freshmen to their four long years of high school. However, it is usually done senior style, and this year was no exception.

All freshmen were asked to wear such attire as babies' diapers, gunny sacks, old T-shirts, nylon hose, thongs, and high heels. They were also asked to bring a baby bottle.

The day's fun began at 8:00 a.m. when each senior was assigned a freshman who was to lead his master (a senior) down main street to school.

The freshmen acted as valets to the seniors the rest of the day.

An assembly (of which there are pictures on this page) was held in the afternoon after which the freshmen were served cokes by the seniors in the cafeteria.

B. Kreutzer and J. Leak take the rats out of M. Zellner and D. Cooley's hair.

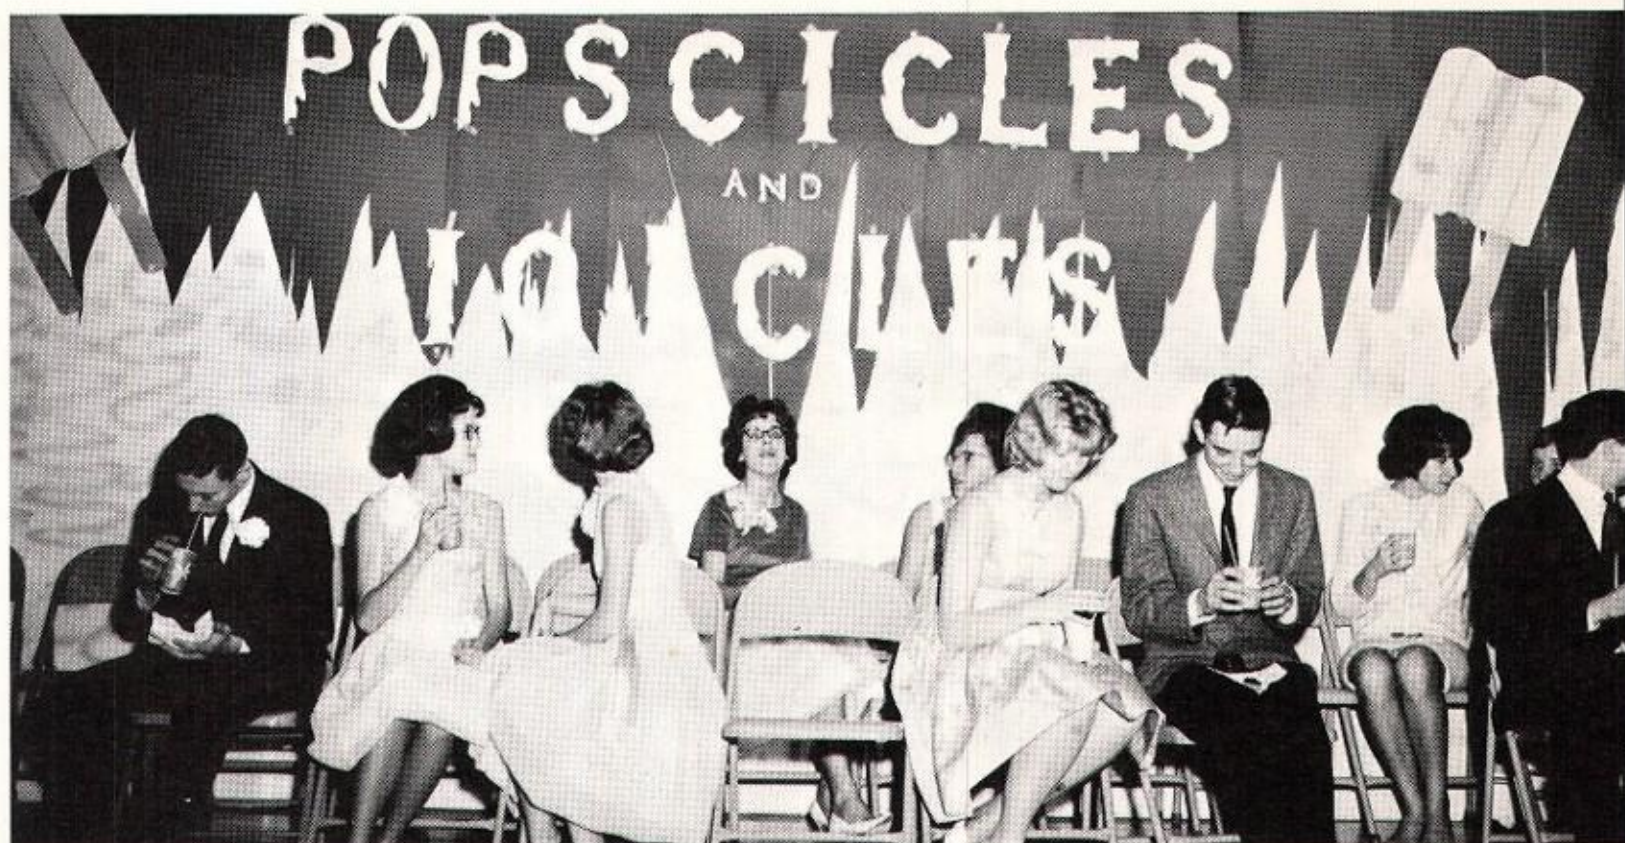

Freshman boys shave their legs with catsup at assembly.

R. Owens and C. Doyle teach D. Wilson the senior's version of the twist.

AT LEFT, B. Jay and J. Kuhlman help a freshman girl bob for an apple (in paste).

LOOKING AT ACTIVITIES

The main purpose for furthering one's education in high school is to learn. However, many would be lost without also having a little fun.

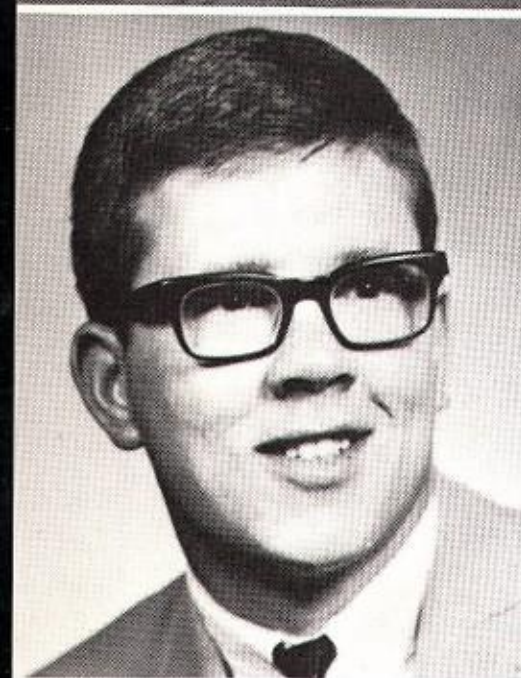

There's nothing like a good old dance, play, or concert to relax you after a hard day of studying. Here at W. C. C. H. S. there is plenty of studying, plenty of dances, plays, and concerts.

Many of the activities are sponsored by the organizations, while still others are sponsored by various class departments.

The following pages will tell briefly what the students at W. C. C. H. S. have done for relaxation and fun this year, ranging from the FFA Banquet to the Boulder Band Day.

TOP ROW: G. Roberts, D. Naiman, V. Case, C. Doyle, R. Jay, B. Nagel, SECOND ROW: B. Jay, B. Heinitz, J. Schreck, S. Siemens, D. Cooley: FRONT ROW: Mr. Townsend, D. Spradling, B. Lambert, R. Jay, J. Ley, Mr. Templer.

Student Council Acts For Student Body

Under the guidance of Mr. Townsend. Student Council again successfully guided the students through another school year. The group usually met three or four times a month in the principal's office to discuss impending matters of importance. The meetings were presided over by Pres. John Ley, who proved himself very capable of handling the job.

J. Ley shakes incoming Pres., R. Jay's hand.

The Student Council sponsored many activities this year ranging from a Boys' and Girls' State assembly to the annual Pan Cake Supper.

The organization also supervised cheerleader and class elections.

Any profits received by the Student Council are divided equally among all the classes and organizations.

The yearbook and journalism classes are akin to each other in that the yearbook, the WARRIOR, publishes a pictorial history of the activities of the year; the newspaper, the CHIEFTAIN, publishes the current activities of the school.

These classes are active in developing the tone of student conduct and opinion. They owe a responsibility to the student body as spokesman and historian.

CHEERLEADERS

Vigor and Vitality Key To School Spirit

Key forces in the success of sports at W.C.C.H.S. during the 1964-65 year have been the W-Club, the Pep Club, and the cheerleaders.

The cheerleaders have set the pace of school spirit throughout a successful football and basketball season. They helped provide the impetus necessary to attain a berth at the State Basketball Tournament at Emporia.

The cheerleaders were enthusiastically supported by the well organized Pep Club attired in the black and red of the Warriors of W.C.C.H.S.

The W-Club provided the nucleus of poise and leadership for the teams so ably representing Leoti on the field of contest.

These groups fostered within their members and the members of the student body a spirit of good sportsmanship that can be pointed to with pride.

FUTURE FARMERS STRIVE FOR LEADERSHIP

The Future Farmers of America is composed of male students selected for outstanding leadership and scholarship abilities in vocational agriculture. They work to develop agriculture, cooperation, and citizenship.

The FFA has been very active this year in entering competition in various livestock, dairy, and mechanics judging schools and receiving honorable recognition in each. In addition to group activity, honor was brought to the local chapter as a result of Dale Naiman's being named Star District Farmer and receiver of the Southwest Kansas Swine and Farm Mechanics FFA Foundation Awards.

This year seven boys attended the State Convention at Manhattan. Other activities included the Green Hand Initiation and the annual FFA Banquet and Awards Night.

The agriculture department again constructed a booth at the State Fair and rated first in the Western Division.

The banquet, consisting of baked steak with all the trimmings, was attended by all FFA members and their parents, as well as faculty and board members.

After the meal Mr. Hamilton honored many FFA members with FFA pins and various other awards.

Perhaps the highlight of the evening was the crowning of the FFA Sweetheart for 1965-Miss Bernice Buck.

Dale Naiman was president of FFA as well as Star Dist. Farmer and recipient of the Dist. FFA Foundation awards.

KAYS AND KAYETTES SPONSOR MANY SOCIAL EVENTS

The Kayettes were kept busy this year trying to keep the social calendar full at all times. Some of the events under their sponsorship included the annual Snowball in connection with the crowning of Mr. Icicle and Miss Popsicle, a Halloween dance, a Crazy Hat dance, and the crowning of Ray Bribiesca as Mr. Irresistible.

The Kays, since they were newly organized the second semester, sponsored only Sadie Hawkins Day during the annual Twirp Week and the crowning of Lynn Cable as Miss Irresistible.

The juniors this year presented one of the most unique plays ever performed at WCCHS. The play was a melodrama in three acts with a humorous touch to it. The play was well received by the audiences on both nights of the performance, April 20 and 22.

With all the great acting ability brought out this year in the junior play, everyone can look forward to a smash hit next year by the class as seniors.

The play was directed by Mr. Gale.

CAST: TOP ROW: L. Holmes, D. Cooley, C. Doyle, J. Ley, J. Leak, D. Naiman. FIRST ROW: Mr. Townsend, Dir., B. Jay, T. Gillen, J. McBride, K. Applegate.

ONE ACT PLAY

"The Balcony Scene"

The one-act play this year was quite unique in plot and staging. It told of a man who came back to witness his funeral.

T. Gillen pleads in vain with the girl, C. Doyle.

Gangster, J. McBride, interrupts funeral services.

After getting off to a slow start by receiving a II+ at the League Festival, the play went all the way with a I rating at both District and State.

The play was again under the direction of veteran, Warren Townsend.

The cast included:

SPEECH

The speech department again won recognition for W.C.C.H.S. this year by receiving more I's than any other class B or BB school at the District Contest. Leoti received eight I's out of fourteen entries. Five of those eight entries received I's at the State Contest.

All in all, with Leoti also winning first place at the WKEA League Contest, Mrs. Templer's speech students did exceedingly well this year and are very deserving of being rated "superior".

LITERATURE

Man's Words Fill The Void Of Time

Words, words, words - a ceaseless flow from the hearts and minds of men give expression to their innermost desires, their seeking for self expression, and their hope for recognition. Some use the longer prose of the novel to uncover the bad in the world--others its media to show beauty and love.

Poetry's fleeting form, now a ballad, a sonnet, or blank verse, becomes the vehicle for man's deepest emotion.

Drama, the short story, the essay and all other forms of literature strive to fill the void of faceless recognition of ages past. Man wants his words to fill the emptiness of time.

The students of Wichita County Community High School have added to the words of the masters in some small measure. LaVon Grusing was chosen to receive the second place award in the KANSAS AUTHORS SHORT STORY competition. Dale Naiman's poem was published in the NATIONAL POETRY AND ANTHOLOGY. Sharilyn Berning received the merit award from KANSAS AUTHORS for her poem entitled "Nightfull. "

'65 "Indian" Band Enjoys Many Rewards

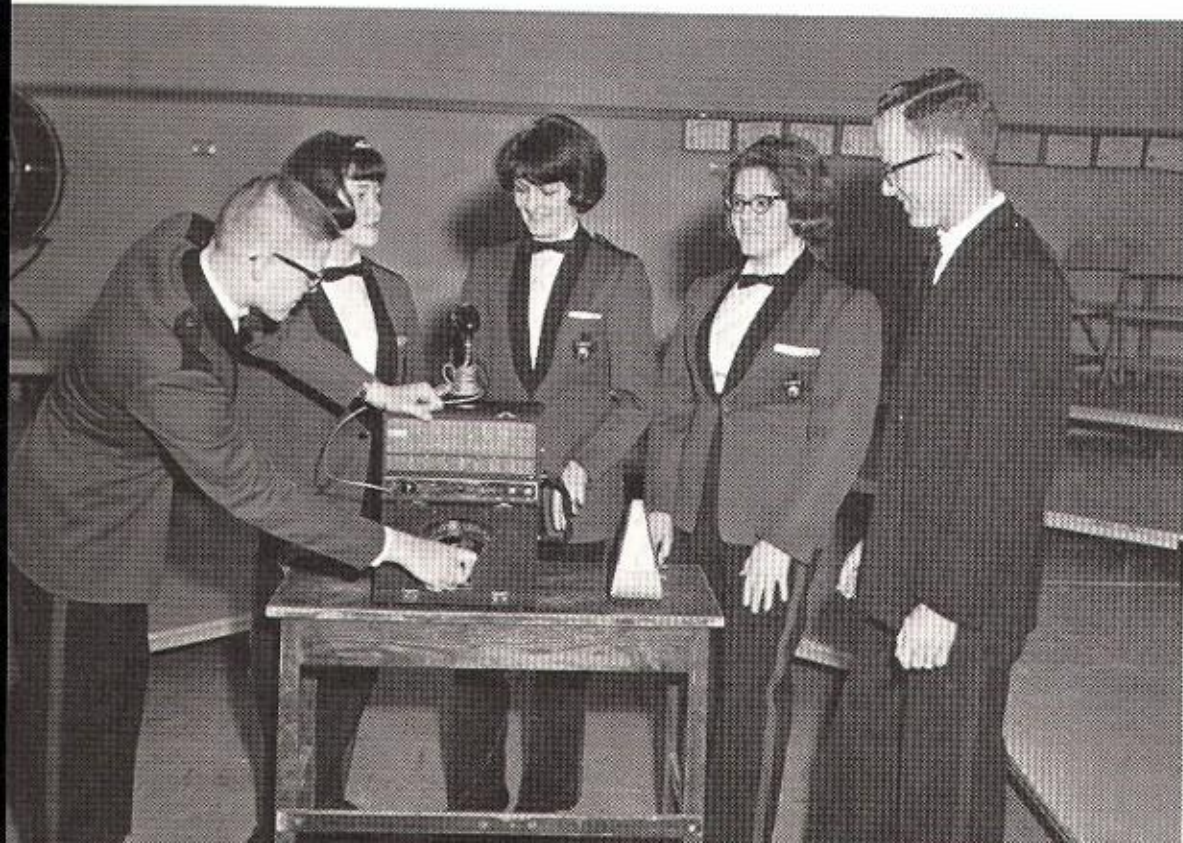

The 1965 "Indian" Band is a thing of the past now, but is not to be forgotten. The senior band members will never forget the rainy days of marching season--the stringy hair and soggy sneakers; nor will they forget the boring days of concert season--the District Music Festival looms ahead and the clarinets still can't get measures 34-38. Remember the day one of the trombone players fell

off the risers, or the day one of the drummers dropped the cymbals on his toe?

Not only the seniors, but every band member will long remember the good times that accompanied the hard work this year in band.

The days weren't all rainy and boring. For example, the day we received a II-plus at the District Festival--we had worked hard in order to earn a I, but when we received a II-plus, we were happy just the same and we knew that we had done our best, and that maybe the judge was just a little too hard on us. Take the days spent in Colorado attending the Boulder Band Day where we received I's for our fine performance; or the Garden City Band Day, where we were one of the few bands that received a I for our march routine---these were just a few of the rewarding days in band.

The band has worked hard this year to receive the rewards and due praise, and under the very fine direction of Mr. Alvin Wilken, it will continue to grow in size and in quality.

STAGE BAND CREATES ENTHUSIASM AND COMPETITION

A stage band was introduced into the instrumental music department this year by our director, Mr. Alvin Wilken. It consists of a select group of musicians chosen by the director. The stage band plays light music and performs at basketball games, rallies, and other school functions. Since this is a select group, it creates the competitive spirit needed in order to have a good band and instrumental music department.

CHOIR BOASTS SUCCESSFUL SEASON

The hearts and tongues of over 125 students filled the music room with songs of all types and styles. The mixed chorus, along with the glee clubs read music and performed two concerts during the year.

This was the second year that the choir had the honor of singing under the direction of Mr. Gale. He has formed many new groups along with the new air he has given to the vocal music department. Surely, all seniors will never forget the good times they had this

year singing for him at contest this year.

The robed choir received a I and from this group came the solos and ensembles representing the best of many voices.

The girls glee also held their own as usual by rating another I.

With the year highlighted by having the state solists and ensembles receive 34 gold medals, Mr. Gale termed it as being the best year yet for the vocal music department at W.C.C.H.S.

FOOTBALL QUEEN

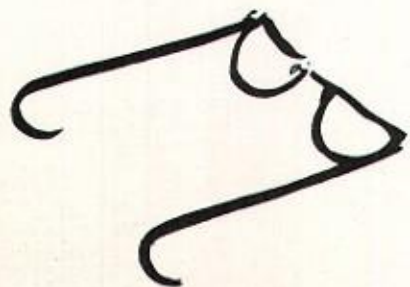

LOOKING AT

A T H L E T I C S

Footballs sailing through the dust filled autumn air, basketball shoes squeaking, thundering, and racing wildly down the floor, and the splatter of spikes throwing cinders as muscles stretch for the last few yards are all a part of the athletic scene at WCCHS. These sights, sounds and actions of Indian athletes are readily recalled as we pass through the entrance to Vague Field or as we enter the door of the gym. For those who love sport for sport's sake, it offers competition. It provides a way to burn off extra energy left after a day of study. For students, teachers and patrons, it provides exciting entertainment and the opportunity to exhibit qualities of good sportsmanship.

FOOTBALL

WARRIORS LEAGUE RUNNER-UP AFTER SLOW START

Coach Leuszler's charges opened the 1964 season slowly, losing to tough Ulysses and Scott City during the early stages of the season.

As the season progressed, the Indians developed a balanced attack and a rugged defensive game. Going into the final game of the season, Leoti sported a five game winning streak and a chance for a title tie.

Rugged LaCrosse dumped the Warrior's title hopes by dropping them 27-6.

The 1964 Indians placed three players on the League All-Stars chosen by the league coaches. Dave Spradling, Jim McBride and Troy Funk were chosen as first team players.

The coaches in the K.A.Y.S. area chose Jim McBride to receive honorable mention.

BASKETBALL

We're The Champs

Coach Williams receives victory ride.

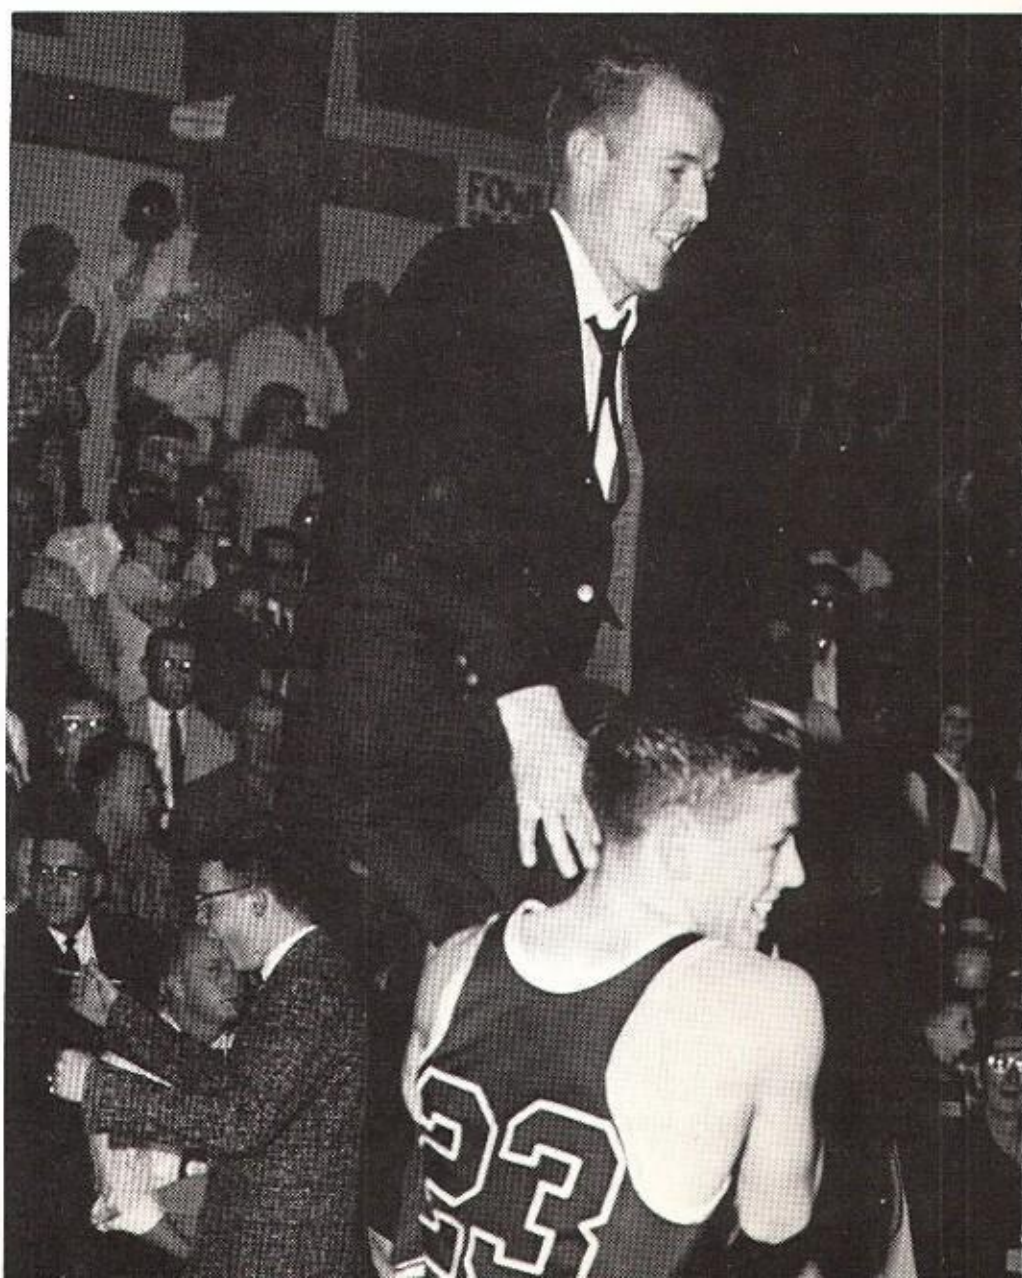

Determination, always the essential to success, led to a State Basketball Tournament berth for the 1964-65 Indians. An overall 17 won and 9 lost record was no indicative of the true power and ability of the Indians, as they only bowed four times to Class "B" teams in court action.

In the Western Kansas Educational Association League, Leoti won four league contests and dropped two for third place.

In tournament play, Tom Williams led his charges to six successive victories before their defeat in State Tournament play by the eventual champion of State Class "B" basketball, Osage City.

To win the district crown, Leoti dropped Bird City, Brewster and Tribune. In regional play Elkhart, Fowler and Tribune fell victim to the Indians on successive nights.

To loyal fans, the Indians are the CHAMPS.

All attention was focused on the stage as lights flashed, the band played, and the curtain went up on the 1965 Basketball Homecoming. The band played "Smoke Gets In Your Eyes" as King Vic escorted Queen Judy to her royal throne.

The stage was beautifully adorned with hearts to carry out the appropriate theme "Dear Heart".
